BOOK CLUB SETS

What is a Book Club Set?

A Book Club Set is a bag with 10—12 copies of the same title in it (some sets include books on cd and large print books) that may be signed out to a designated member of a Book Club. The bag also includes an information folder that contains tips on how to run a book club meeting, a biography of the author, what critics have to say about the book, a list of discussion questions, a list of other book club titles and a sign up sheet for the members to use.

How to find what book club sets we have:

A complete lists of current titles are available by searching our catalogue by entering an “All Fields” search and typing in “Book Club Set”.

How to borrow them:

One person in the book group needs to have a valid Brockville Public Library card and take responsibility for the book club set. You need personal ID (such as a driver’s license) to get a membership.

The book club sets are kept at the Circulation Desk and have a six-week loan period (no renewals). Your club can only have two sets signed out at a time.

Book club sets cannot be placed on hold through e-library (online catalogue). Please ask at the Circulation Desk, at the library to reserve a set.

How to return them:

The entire set must be returned together (all copies of the title, the information folder and the bag). They must be returned at the Circulation Desk, not through the book drop. Late charges are \$2.00 per day.

How to join a book club:

Brockville Public Library operates many monthly book clubs. Ask any staff member about joining a book club! For most of our book clubs, you will need a valid Brockville Public Library card.

We are a non-profit group and would be happy to issue you a tax donation receipt for money donated to help us expand this service.
